A new comment has been submitted at [socotransmission.com](http://socotransmission.com).

### COMMENT

Meeting Attended:

Important Issues:

Property Uses:

Comment:

Please install the proposed transmission lines at the 230kV line corridor east of the railroad tracks. This will have the least negative impact on the residences. We want to maintain property values, not have any potential harmful health issues, or have a negative environmental impact on Hatchet Ranch.

Thank you,  
Bob Lee

## I-253-001: Route Refinement > Calumet-Comanche (In Review)

Your email/letter/comment form has been received and your comment noted. Route refinement for the proposed project and mitigation measures will be addressed in the Environmental Impact Statement. The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at <http://www.usda.gov/rus/water/ees/ea.htm>.
